

PRESENTATION GROUND RULES

- All sessions will be recorded – They will later be posted on our agency website so you may view presentations you may have missed.
- We will be muting all microphones at the start of the presentation.
- To ask questions please type them in the chat area and the moderator will review and pass along to the presenter. If you are unable to utilize the chat please use the raise your hand feature and you will be called on. Both are located on the bar when you scroll over your screen. Please see attachment provided.
- Please do not share any personal identifiable information as these sessions are non-confidential meetings
- We suggest you keep your camera off as this helps to keep bandwidth down and improves connectivity

Thank you for your cooperation and we hope you enjoy the presentations
